Vashisth Patel

has successfully completed the online, non-credit Specialization

Management Consulting

This individual has successfully competed 5 courses on management consulting. Their exposure to consulting ranges from the economics of consulting partnerships, to the methodology used by consultants to break down problems. They have the foundational knowledge of projects, clients, data analysis, client interviews, surveys, benchmarks, and several performance improvement tools. Consulting is an apprenticeship and this individual has shown the dedication, curiosity, and grit needed to be a great consultant.

John Kim
Associate Professor in the Practice
Emory University, Goizueta Business School

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
